Why fundraise for The Boparan Charitable Trust?

The Boparan Charitable Trust is a charity trying to raise funds for children who are disadvantaged through poverty, disability and terminal illness. We want to make a difference in your local community and to do this, we need your help.

How do I get started?

Whether you need promotional materials, advice or even collection tins, The Boparan Charitable Trust is here to give you as much support as possible.

Below are a few questions to ask yourself....

What event do I want to do?

Where can I hold my event?

When will it take place?

Why will people want to come? Have I got enough promotional materials?

How am I going to raise funds? Through ticket sales, charging an entry fee? Having a collection tin etc.

Can I enlist the help of my family and friends?
